[PDF] Anysee: **Peer-to-peer** live streaming   [PDF] from
X Liao, H Jin, Y Liu, LM Ni... - IEEE INFOCOM, 2006 - Citeseer
... Anysee is a **peer-to-peer** live streaming system and adopts an inter-overlay optimization scheme,
in which resources can join multiple overlays, so as to (1 ... Results show that AnySee outperforms
previous schemes in resource utilization and the **QoS** of streaming services. ...

A scalable **QoS**-aware service aggregation model for **peer-to-peer** computing grids   [PDF] from
X Gu... - 2002 - computer.org
... **Peer-to-peer** (P2P) computing grids consist of peer nodes that communicate directly among
themselves through wide-area networks and can act as both clients and servers. ... In this paper,
we propose a scalable **QoS**-aware service aggregation model to ad- dress the challenges. ...

Spidernet: An integrated **peer-to-peer** service composition framework   [PDF] from
X Gu, K Nahrstedt... - High performance Distributed ..., 2004 - ieeexplore.ieee.org
... Moreover, each service component is associated with a performance quality QP which is the
same vector of performance parameters (eg, delay) as the user's **QoS** requirements &"q. Service
components can be composed into a service graph (A ... 2.3 **Peer-to-Peer** Service Overlay ...

Service differentiated peer selection: An incentive mechanism for **peer-to-peer** media streaming [PDF] from
A Habib... - Multimedia, IEEE Transactions on, 2006 - ieeexplore.ieee.org
... or service differentiation, to encourage cooperative behavior among peers [3]–[7]. **Peer-to-peer**
media streaming ... Here, represents the granularity of the duration to measure the **QoS** of a streaming ...
based on a sample of user scores, possibly via the passive **monitoring** of query ...

QoS-based service selection and ranking with trust and reputation management   [PDF] from
LH Vu, M Hauswirth... - On the Move to Meaningful Internet ..., 2005 - Springer
... Alternatively, they can also hire third party companies to do these **QoS monitoring** tasks
for them. ... [14] rates services computationally in terms of their quality performance from
QoS information provided by **monitoring** services and users. ...

[PDF] G-QoSM: Grid service discovery using **QoS** properties   [PDF] from
RJ Al-Ali, OF Rana, DW Walker, S Jha... - Computing and ..., 2002 - Citeseer
... propose a model for **QoS**-aware service aggregation in **Peer-to-Peer** (P2P) systems. ... the
reservation for previously queried resources and in Figure 6 the AQoS displays the result of the
requested state information about the allocated resources for **QoS monitoring** purposes. ...

Towards p2p-based semantic web service discovery with **qos** support

[PDF] from

LH Vu, M Hauswirth... - Business Process Management ..., 2006 - Springer
... With the use of structured **peer-to-peer** overlays as the service repository network, the system
is highly scalable in terms of the number of registries and ser- vices. **...** [10] suggests augmenting
service clients with **QoS monitoring**, analysis and selection capabilities. **...**

Meeting **QoS** guarantees by end-to-end **QoS monitoring** and adaptation

[PDF] from

JF Huard, I Inoue, AA Lazar... - ... , 1996., Proceedings of ..., 2002 - ieeexplore.ieee.org
... to-end **QOS**; that is, from application to application, whether client-server or **peer-to-peer.** **...** By this
we mean that mechanisms are provided for **QOS** mapping between application and networklevels;
on a fast time scale, we provide transport mechanisms for **monitoring** and adap **...**
